For the attention of Sam Eggington

Please find attached drawing 527-04D which now includes a proposed side elevation of the north side.

I can confirm that distances of the extension to boundaries have been shown on drawing 527-03, and I trust this will be acceptable.

We trust the application will now be able to be validated but please let me know if you have any further comments or questions.

Thank you,

Phil.

Phil Brown
Director
