Dear Hannah,

Thank you for your consultation on the above site, received on 09 January 2026. We have reviewed the application as submitted and wish to make the following comments.

Approval of reserved matters following the grant of LU/47/11/ (amended by LU/182/15/PL) for 111 No dwellings, 1472sqm of retail floor space, 418sqm of community centre floor space, a civic public open space (0.35ha), a community car park and a super LEAP (incorporating fitness equipment / trail) comprising 0.62ha.

The applicant has provided sufficient information relating to surface water drainage that remains consistent with the information provided for the Outline planning application and therefore the details are in accordance with NPPF and local planning policies of Arun District Council.

We note outline planning permission LU/47/11/ (as amended by LU/182/15/) included conditions from your Engineers relating to the submission of full details of the proposed surface water drainage scheme (Condition 10) and implementation for the development.

Our review of the information provided to support Condition 10 is below. It should be noted that the information provided relates solely to the drainage features (SuDS) of the development and therefore the above review is based solely on this aspect of the development.

We have **no objection** to this Reserved Matters application given the outstanding Condition associated has not yet been discharged.

Yours sincerely,

Mat Jackson
