Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/251/21/PL
Site Address: 57 River Road Littlehampton BN17 5DD
Description of works: Partial demolition of number 57 River Road, change of use & redevelopment to provide a flatted development comprising 6 No apartments, with private amenity space, parking & cycle storage. including the partial demolition of the adjacent boundary wall to provide a new pedestrian access & the creation of a floating pontoon with resident morning spaces (resubmission following LU/247/21/PL). This application affects the character & appearance of the Littlehampton River Road Conservation Area & is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 2nd September 2021 which has been recorded as no objection with the comments as follows:

OWPC40080

I am the owner of 49 river road which is adjacent to the development,
The proposed development car parking is up to my boundary wall, which is the main foundation of the property.
I would suggest a barrier to stop cars running into it.
Also being very old and of flint construction, the wall has no damp course.
I would suggest that the car park slab and paving does not abut the wall, and a suitable gravel filled gap be left.
Or other suitable drainage scheme.

Your views as made above will be considered before the application is determined.
