Thank you for your internet representation made on 4th September 2021 which has been recorded as no objection with the comments as follows:

OWPC40107

Although the Society does not object, in principle, to the proposal, the concerns we expressed in our comments on LU/247/20/PL do not appear to have been addressed.

The building proposed to be demolished is the only remaining old riverside building that reflects the town's heritage. We cannot see that efforts have been made to find an alternative use for this building.

Your views as made above will be considered before the application is determined.
