Thank you for your internet representation made on 17th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40481

These proposals were considered by the Town Council's Planning and Transportation Committee at the meeting on Monday 13th September 2021. The Town Council objects to this application on the grounds that Members considered that the Committee's previous objections had not been addressed in respect of parking provision and preserving the heritage of the site. Members maintained the view that more could be done to retain the remaining elements of the heritage of the building, that the proposed partial demolition of the flint wall could be avoided and that parking provision was insufficient for the size of the development.

Your views as made above will be considered before the application is determined.
