Dear Mrs Gardner

I wish to register my strong objection to this once again proposed development It will be to the detriment of the Pharos Quay flats development, also losing the only Maritime building left, on River Road which I know is a long standing thriving business Also the congestion of traffic in River Road will be horrendous Once again we are subjected to the will of this greedy developer, with no thought for anything but sheer profit I urge you to deny this application and keep this part of Littlehampton for the people and general surroundings.

Your views as made above will be considered before the application is determined.
