Your ref: LU/252/25/RES - Hampton Park, Littlehampton

Proposal: Approval of reserve matters following LU/47/11/ (as amended by LU/182/15/) for the remaining open space elements including playing pitches, changing rooms, car parking area, northern allotments and the eastern extent of the Black Ditch Open Space.

Our ref: NH/26/14452

Dear Hannah,

Thank you for your email of 9 January 2026, consulting National Highways on the above referenced application.

We are concerned about the safety, reliability, and operational efficiency of the Strategic Road Network (SRN), in this case the A27 in the vicinity of the site.

We have reviewed the application and supporting documents.

The site is located approximately two miles south of the SRN.

Given the location and nature of the proposal, we are satisfied that this development, if permitted, would not have an unacceptable impact on the SRN.

Our formal response is **no objection**.

Should you or any others have any queries regarding our response, please contact us via [REDACTED]

Kind regards,
