Dear Sir

Proposal: Application for approval of details reserved by conditions 8 (surface water drainage), 9 (discharge of water flows), 10 (foul drainage), 17 (Construction Method Statement), 18 (construction compound), 20 (vehicle wheel cleaning), 22 (specification of layout for roads, footpaths, cycleways and parking areas), and 29 (materials and finishes) following a grant of planning permission LU/355/10/.

Site: Courtwick Lane, Land south of railway, Littlehampton, BN17 7PD.
LU/253/14/DOC

Thank you for your letter of 21/08/2014.

Southern Water would have no objections to discharge condition relating to drainage details submitted. An application under Section 104 (adoption) of the Water Industry act needs to be submitted and approved by Southern Water.

The Council's Building Control officers/technical staff and the Environment Agency should be consulted regarding the discharge condition for surface water disposal.

Yours sincerely
