Dear Arun District Council,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10**

Non-material amendment following the grant of reference LU/136/19/PL to revise the design of the parkour training facility.

Littlehampton Skate Park Sea Road Littlehampton BN16 2NA

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

From the information submitted I am able to take the alterations detailed namely change in design of the parkour training facility as a Non- Material Amendment to LU/136/19/PL. Drawing 'Parkour Training Facility (R3)' has therefore become the approved plans for planning permission LU/254/19/NMA.

The reasons that these proposals have been accepted as Non-Material Amendments is because they would not warrant re-consultation with neighbours and do not involve any significant increase in the length or width of the proposal and they can therefore be considered under section 96A of the Town and Country Planning Act 1990.

I trust this information is of assistance to you.

Yours sincerely

Neil Crowther
