Please ask for:

Technical Support Unit on extn. 37711

15th August 2014

Dear Mr Alex Sutherland

Development:

The old shopfront was removed and replaced with a new aluminium / glass front including automatic door. The automatic door was required to aid elderly persons entering the post office. The entire shopfront was set 1.2M behind the pavement line to avoid the door's sensor constantly opening the door when non-customers passed by. The resultant lobby that was created then required a roller shutter to keep persons from frequenting the lobby at night and either threatening the security of the post office or simply using the lobby for unsociable purposes.

Location:

Stead & Simpson Plc 66 High Street Littlehampton

Thank you for your application submitted via the internet on 13th August 2014. It is being dealt with by the Technical Support Unit and has been allocated the reference number **LU/256/14/PL**.

We will contact you shortly with further details.

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Miss N Spencer
Technical Support Unit Officer
