99.1 Re: Planning Application LU/256/14/PL – 66 High Street, Littlehampton

This proposal had been considered by the Committee at the October meeting and had been supported providing the shutter was off white and of an open weave design. It had subsequently been established that the existing colour of the shop front and the shuttering was off white. The Committee was therefore asked to signal its approval for the proposal to proceed on this basis. Members were primarily concerned to ensure that the design of the shuttering was open and the Committee therefore **RESOLVED:**

Not to object to the proposal as the shuttering was of an open weave design and off white in colour.
