Dear Catherine,

Re: 12 River Road – Internal Alterations

Further to our visit to the above property, we confirm the internal wall between the lounge and 3rd bedroom as indicated on our drawing number 51836/SK01 enclosed, is non-loadbearing and can be safely removed without the need for any additional structure.

If you wish to discuss this or have any matters arising from the content of this letter, please do not hesitate to contact us.

Yours sincerely
