Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Retention of fence in back garden. This application may be determined by Littlehampton Town Council under delegated powers.

6 Willowbrook Littlehampton

Thank you for your internet representation made on 28th August 2015 which has been recorded as '**an objection**' with the comments as follows:

Dear Sirs,

Regarding the monstrous fence that has been erected on the edge of No.6.

Firstly the fence is extremely unsightly and extremely high , resembling a prison wall, a few loops of barbed wire and it would be complete!

The most affected property is No.8 Willowbrook,who prior to this fence being erected had an open and clear view from their lounge. Now the view from their lounge to the south is 8 feet of ugly fencing which is situated some THREE FEET from their lounge window.. Most importantly is the fact that the daylight in their lounge has been reduced by about fifty percent.

Before the fence was erected there was quite a pretty side wall with an arched gateway, which was set back from the edge of the property by about six feet. This was presumably done so as not to obstruct the view from, and the light to No.8.

The fencing would probably be acceptable if it was re-erected on the line of the original wall.

Thank you very much.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
