Subject: Re Garden fence ref LU/258/15/HH

Dear Sir/Madam

Following my telephone conversation this morning with Mr Woods I feel I need to put my side to you ,as the title on the planning application has now been amended from Retention of garden fence ,to now include change of use from highway verge to C3 residential use .

The grass verge is shown on my deeds as my property ,all I have done is have a fence erected to incorporate the grass into my back garden as it was being used as a dumping ground for peoples rubbish and dog fouling ,surely it was not a highway verge but my lawn ,there is still a public pavement there for all to use ,since placing the fence all of the neighbours have said how nice it looks .Please I am only on a state pension to have to remove and have it re erected will be a great hardship to me ,I hope we can come to an understanding over this ,it is making me ill with worry .and if as was first suggested to me that it should have to be 1 meter high it will leave me feeling very vulnerable with no privacy or security.

yours sincerely

Carol Turner
