Dear Charlotte,

As discussed on phone I am happy for you to remove certificate A. As also discussed I do not know the date and happy to use 12.10.18. I believe the managing agents have informed about the works to be done.

Kind regards,

Jane

Dear Jane,

I have had a look at the revised forms and you have signed both certificate A and B. Only one certificate should be signed. With your permission I can remove the details from certificate A (as you do not own the whole building).

For certificate B you also need to state the date notice has been served. Again, if you confirm the date I can amend this for you.

Kind Regards,
Charlotte

Dear Jane,

As per our phone conversation please find attached the certificate of ownership for you to complete. As you know the names of the other owners, certificate B would be the correct certificate.

The only other issue is that the site address does not include the flat number. With your confirmation of the correct address we can amend this for you.

Kind Regards,
