Dear Ms Thomas,

Apologies for the delay in the determination of this application. We are currently experience a delay in determination due to staff shortages and current workloads.

However, I have noted that we appear to be without existing elevations for this application. Therefore, I would be grateful if existing elevations could be provided to allow the LPA to fully assess the level of development proposed. I would also be grateful if you would provide written confirmation of your agreement to an extension of time until the **22nd December 2017**, should additional time be required to prepare existing plans please let me know and we can agree to an additional extension of time beyond this.

Please do not hesitate to contact me should you wish to discuss this matter further.

Yours Sincerely,
David Easton
