Planning reference: **LU/264/21/T**

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that TPO/LU/1/91, TPO/LU/1/96 and TPO/R/1/96 could apply.

Having considered the supporting Schedules and Plans, I am confident that neither tree subject of the above application is included in any of those Orders. Therefore, I conclude our consent to carry out the proposed work is not required.

Furthermore, I do not believe they are of sufficient public amenity value and/or remain suitable for their location, to justify the making of a new Order and preserve their place in the landscape.

My recommendation is that the applicant be advised to withdraw their application and proceed without further recourse to this Authority.
