Dear Daniel,

Just to make you aware, we have received another Non-Material Amendment application to LU/246/23/PL (Littlehampton Seafront Project – Regulation 3 application). This will not create a new planning application; it only seeks to amend the existing permission. In line with the scheme of delegation, we do not believe this application is required to be heard at Committee, but please let me know if you have a different view.

Kind regards,

Kathryn Welch
