Sub plan please

Hi Zac,

Please find attached an updated version of the Proposed Site Plan (Drawing No. 19005-TP-002 Rev A) which is to supersede the one on your existing case file (Drawing No. 19005-TP-002).

The change made in the Rev A iteration relates to the site access onto Eldon Way which has been updated to show changes made to the arrangement of the kerb line adjacent to the six proposed parking spaces in the south-east corner of the site. For ease of identification this change is highlighted is below.

TP-002 Rev A

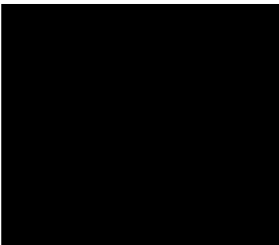

These changes are the result of discussions with the Highways Authority at West Sussex County Council who have directed we make these changes in order to provide better access and egress angles for larger vehicles. The changes are proposed to be made under a Minor Works Order that will be made to the Highways Authority.

Should you wish to discuss this further then please do not hesitate to contact me.

Kind Regards

James
