For the attention of Planning Officer

Dear Sir,

**Re: 95 Griffin Crescent, Wick – Side Extension
LU/269/15/HH**

With regard to the enclosed application, please find enclosed revised copies of the Application Drawings indicating a hipped end to the roof in lieu of a gable.

Please substitute these for the drawings that were attached to the original application.

This is all as requested by your LPO Mr. Easton.

Finally, I enclose a copy of a letter which was sent to you almost 12 weeks ago that remains unanswered. I would be grateful if you would give some attention and advice regarding the subject of the adjacent Council garages.

Many thanks

Yours faithfully /

D. J. Bradley
