19th February 2010

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)
The Town and Country Planning (Control of Advertisements) Regulations 2007

1 no. internally illuminated fascia sign (new letters only) and 1 no. externally illuminated hanging sign
19-23 Surrey Street Littlehampton

Thank you for your internet comments made on 19th February 2010 and recorded as follows:

The Town Council raised no objection to this application, but the Town Council strongly believes that all illuminated signs should be switched off during the hours when they are not needed, ie. the small hours of the night. This does not proclude the use of illuminated signs, just their hours of use. This applies to all applications relating to illuminated signage. □

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
