Dear Sir or Madam

7 Foxglove Way, Littlehampton - Application for Certificate of Lawfulness

Please find attached my application for a Certificate of Lawfulness, to cover the installation of Solar Panels at the above address.

Following discussions with Amy Myer, Senior Planning Officer, I have checked the guidelines relating to solar panels on Planning Portal.com, and can confirm that the installation complies with the required conditions and limits.

In addition to the attached papers, I have included a copy of the planning permission granted in 2006 for our conservatory so you are aware of our due diligence in respecting the planning laws and process. The reference is LU/233/06/. We were informed on that occasion that we needed planning permission as a public footpath ran to the rear of our property.

I understand that the process should take up to eight weeks and look forward to receiving approval within that time.

Yours faithfully

Susan Williams
