Good Morning

Thank you for the amended plan. Unfortunately I am unable to accept the Location Plan in the current format and as 2 plans.

Please could you send as a PDF, and it must also be on 1 plan. If you are having difficulty scanning the existing plan that you have, the link below may help with finding a Location Plan

Hello Nicky,

Please find attached another location plan for 7 Foxglove Way as requested. As this was scanned from an A3 plan it is in 2 parts. Part a shows the scale to be 1:500, part b has the location of the property clearly marked in Red.

I hope this will be enough for your decision.

Kind Regards

Susan Williams

Good Afternoon

Thank you for the attached information regarding the solar panels.

On checking the application again, I have noticed that the Location Plan you have submitted does not include the scale. Please could you forward a Location Plan at an identified scale, normally 1:1250 or 1:2500, with the application site clearly edged in red.

Kind Regards

Nicky Moore
