Dear Mrs Johnson,

Could you please inform me if you have received my 4th hard copy related to Parkfield, Worthing Road, BN17 6JN.

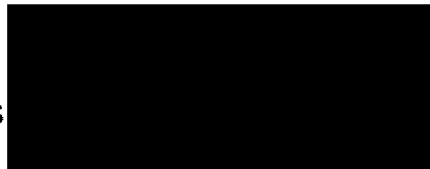

This fourth copy has been sent through the postal system as you advised. Sent on the 2 / 10 / 2020.

Submission of planning applications are becoming a little concerning to me, I do not have the internet and any submission I furnish by hand at the Littlehampton Council Office at present is not represented.

I would be grateful if you could inform me by text or phone me on

Regards

Hatton Associates.
