Subject: RE: Planning consultation LU/278/17/RES - Southern section of the Lyminster Bypass

Dear Michael,

Many thanks for your email.

West Sussex County Council, in our capacity as Lead Local Flood Authority (LLFA), have no direct comments to submit for the above planning application as the original application dates back to 2011 (LU/47/11). The LLFA did not start commenting on major planning application until 2015 and would therefore not comment on the flood risk related to ground water or surface water flooding for a historic application or related reserve matters such as this.

We have though been consulted internally and our Sustainable Drainage Flood Risk Engineer, Ray Drabble, has had input into the drainage designs via our major projects team/Sara McKnight.

Kind Regards
