Dear Sir/Madam,

I am in the process of improving 30A East Street, BN17 6AW. I will be renovating the outbuilding which has a tree (silver birch) growing too close. The tree has been dislodging tiles and blocking the guttering and in time will damage the old foundations and hence the property itself. Since the property is in a Conservation Area I believe I must give 6 weeks notice before removing the tree. Attached are two photos of the tree/building.

Please acknowledge receipt of this email as due notice.

Regards,

Kim Hutchins
