Conversion of existing building to form 5 No. dwellings with associated cycle & refuse stores, parking & landscaping with dormers to north & south elevations.

General Henrys 31 Horsham Road Littlehampton

Thank you for your internet representation made on 5th October 2017 which has been recorded as '**an objection**' with the comments as follows:

I have lived in Littlehampton all my life, I grew up in Norman close and have live in Horsham Road for around 7 years now. The General Henrys has been our Local for 30 years and while i know a few have failed I really feel it could be made i to a family pub with the right owners. Littlehampton has, over the years lost many public houses and i think it would be a shame to see The General Henrys lost in time. I do not want to wake up to flats outside my door, There are houses and flats being thrown up in and around littlehampton already. Ease dont let this historic public house be replaced with more. I know there is at least one person in Littlehmapton who is ready to take on the General Henrys if given the opportunity and i for one am behind her 100 percent. This is our Local, our family meeting place and one of the last of its kind in Littlehampton.. let someone make it great again.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
