Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Conversion of existing building to form 5 No. dwellings with associated cycle & refuse stores, parking & landscaping with dormers to north & south elevations.

General Henrys 31 Horsham Road Littlehampton

Thank you for your internet representation made on 9th October 2017 which has been recorded as '**support**' with the comments as follows:

I Completely support this application, this is an awful pub that has never worked, different owners attempting to revive the pub in different ways and failing. The pub in the past has had Loud music/live bands, drunks shouting till early hours and causing trouble, the very few locals do not make it a welcome place for others in the town either.

The empty boarded up site is currently a huge eyesore and it will be good to see them make good use of the pub, I think its good they are keeping the character of the pub instead of demolishing it and the fact they have given the site outside space and parking is a huge plus as other developers seem to get away with none.

I also appreciate they are making them into flats, accommodation is much needed in Littlehampton and making two bedroom flats will be more affordable for people to get onto the market and ideal for first time buyers.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
