Subject: LU/282/17/RES - Changing room building

Hi Fiona,

I have just received the following email and attached plan from Barratts regarding a plant room attached to the rear of the changing room building which is being proposed at Kingley Gate (Courtwick).

Are there any Environmental Health comment to make on the proposed plant room?

Kind regards,

Michael

Subject: Changing room building

Dear Michael,

I'm sorry this is a late request, but please can you accept this drawing as a late submission. It is a very minor amendment which incorporates a 3 x 3m plant room attached to the rear of the changing room building to provide boiler, electrics etc. It is a very minor alteration which I'd be grateful for you to approve as well.

Thanks Nick
