Karen,

We have an extension of time (EoT) until Friday 26th January 2018 to deal with LU/282/17/RES.

Please could you amend the records on Ocella.

Thanks,

Michael

Dear Michael,

I will extend to the 26th, but if it can be issued tomorrow I would be very grateful.

In terms of the Dovecote, the intention is for the Dovecote to be demolished. A structural engineering report has been done, justifying this approach. The materials are to be incorporated in to a low wall and Memorial Stone feature that is being designed up presently. Darren Kenny with whom you've had previous correspondence with is leading on this, in conjunction with our Group PR arm.

I trust this clarifies the position.

I look forward to getting the decision through ASAP please.

Kind regards

Nick
