please note that we of madehurst court
littlehampton are against this application
on grounds that people buy age restricted
properties knowing to get them cheap and
without
concern to people that already live here are
against
changing the age they go to have it changed
just so they then can sell for a big profit
and we have no say
please help us by not allowing this as it
affects
so many
thank you

madehurst court

from all the Tenants.
