Michael

The original ecology plan from Aspect is applicable and attached.

The barn owl boxes, bird and bat boxes are being installed on 21<sup>st</sup> January by Thomson Habitats.

The provision of the barn owl box's in lieu of the barn owl tower has been checked with the barn owl trust to ensure that the boxes are located in line with their guidance.

An installation report from Thomason Habitats will be submitted following the works on 21<sup>st</sup> January.

The interpretation board is unfortunately still not resolved and I can only apologise for not being able to resolve this, it will be in place before we complete the development.

Thank you

Kind Regards

**Darren Kenny**
