Morning,

I am happy that the information provided within the original report is suitable for the condition to be discharged. It would be useful for the developer to submit the installation report for Thomson ecology once this has been put together in January.

Thanks

Liz

Hi Liz,

Please find attached a copy of the Ecological report for LU/283/18/DOC from the applicant.

I look forward to receiving your response.

Thanks,

Michael

Michael

The original ecology plan from Aspect is applicable and attached.

The barn owl boxes, bird and bat boxes are being installed on 21st January by Thomson Habitats. The provision of the barn owl box's in lieu of the barn owl tower has been checked with the barn owl trust to ensure that the boxes are located in line with their guidance. An installation report from Thomason Habitats will be submitted following the works on 21st January.

The interpretation board is unfortunately still not resolved and I can only apologise for not being able to resolve this, it will be in place before we complete the development.

Thank you
Kind Regards

Darren Kenny
