Dear James Cross

1A & 1B NORTHWAY ROAD WICK LITTLEHAMPTON BN17 7JX

Thank you for your email and letter dated 18th November 2019 regarding the ecological assessment. I have asked the consultants for a quotation.

The last planning permission had numerous conditions that were satisfied including the ecological assessment. Will you let me know of any items that you will list as conditions so that I can send the information before the determination is made such as:

- Hard landscape
- Programme
- planting.
- Soak-a-way
- Any other items.

Yours sincerely

PETER WILSON
