Dear James

That date seems more likely to be met. Please extend.

Kind regards

Peter

Hi Peter,

Thank you for the email and the contents of which are noted. Might I suggest that as the Extended Phase 1 Habitat Survey is unlikely to be with us until January, that we extend the determination date until 31 January 2019? This will give us sufficient time to see how matters are progressing?

I look forward to hearing from you at your earliest convenience.

Kindest regards,

James Cross MRTPI
