Dear Sir/Madam,

I have just received comments regarding your application for tree surgery at 38 River Road, Littlehampton. As it stands the application is set to be refused.

The Arboriculturalist has advised amendments to the works that would allow the application to be looked upon more favourably.

He would like the crown reduction to be removed from the application, as you can remove the deadwood without Council approval. The application would then seek to only perform a 4m Crown Lift to the tree.

Do you accept the proposed change of works?

Please reply within a week so I can change this for you.

Yours sincerely,

Z Denton
