Thank you for the update.

I would be most grateful for confirmation once validation has been completed.

(Due to the important nature of the flood defence wall application, I am keen to ensure that there are no unnecessary delays in the planning application process)

I do appreciate however that you have a number of other applications to validate.

Thank you again for your time updating me.

Best regards,

Peter

Thank you for the above acknowledgement.

Has the application now been validated and assigned to a Planning Officer?

Thank you for your time

Peter
