Dear Miss Forrest

**Re: Former HBI Site, Worthing Road, Littlehampton**

I acknowledge receipt of your letter dated 13 October 2008, enclosing details of proposed amendments to the house types within an existing consent at the above location.

I have examined the detail within the amendments and as a result I have no concerns from a crime prevention viewpoint. The applicant is well versed in providing social housing that accords with the requirements of "Secured by Design" and I am confident that there will be no exception in this case..

This letter has been copied to the applicant or their agent who is asked to note that the above comments may be a material consideration in the determination of the application but may not necessarily be acceptable to the Local Planning Authority. It is recommended, therefore, that before making any amendments to the application, the applicant or their agent first discusses these comments with the Local Planning Authority.

Yours sincerely

Peter Hardy
