Dear Mr Gardner,

I have seen an application for a flag pole erection at the bottom of Honeysuckle Close and wish to object to the application. I am a resident of the close and see no benefit of the flag pole or purpose to its erection.

What is the purpose of this flag pole?

If it is erected, have considerations been made as to any noise created by the mechanism which hoist/lower a flag?

Will other flag poles be erected at the bottom of other close's?

Why has Honeysuckle Close been chosen, and on what grounds was it selected?

Which other sites around the park have been considered, if any?

Please can you respond to my normal email address of:

Regards

Mr Dyckes.
