Good afternoon Zac,

Just following up on the above Condition clearance application.

I wondered whether you had heard from your EHO consultation yet, and when you feel you may be able to give me some feedback ?

I look forward to hearing from you.

Kind regards,

Peter.

Good morning Peter,

Thank you for your email.

I am awaiting any comments Environmental Health may have on the proposed CMP before making a determination.

I hope these will come before the advised determination date, however, I will inform you if anything changes.

Kind regards,

Zac
