Good morning Anita,

Thank you for sending this through. We have been in contact with WSCC regarding this already as they contacted us with a couple of queries. We have a traffic speed survey being undertaken (next week I think), so we will try to get the revised info to you within the two weeks, although it is likely to be at the end of the two weeks.

Are there any other comments we need to respond to as it doesn't currently look like there are any other responses on the portal?

Kind Regards

Euan
