Hi Daun

The application that was refused, what refused because there was not adequate screening between the property and the neighbour to the North. Under a notification I could not agree a condition regarding the screening. Therefore the NEW notification was submitted and a fence is going up today I believe, so if the neighbours object again and the case officer does a site visit they will be better positioned to see. We are just securing all options by also submitting a Householder application in case the Notification is refused again, again we can add conditions to the application. The reason for doing both is because the Notification would be decided sooner this is really about Time for the applicants.

I hope that helps.

Many thanks

June

June,

I did read the entire email, however, since LU/238/18/PDH has been decided (refused prior notification) on 19th October 2018, an additional address of the adjoining address confused me.

Also, LU/296/18/HH was just validated today so we don't need to notify neighbours, except by yellow notice, which will go up soon.

Does this make sense?

Thanks,

Daun

Hi Daun

17 The Cloisters is the additional neighbouring address that I could not fit on the Notification form for 67 Norfolk Road. If you read the full sentence it should make sense.

Many thanks

June

Good afternoon June,

The location and block plans show 67 Norfolk Place in Littlehampton, while your email below states the address is 17 The Cloisters.

Not sure what is going on...were the wrong forms/app form attached by accident?

Thanks,

Daun

Good afternoon

Please find attached a notification of larger extension for the above property. An additional neighbours address is listed below due to lack of space of the form;

17 The Cloisters, Littlehampton BN17 5ST

Many thanks
