Hi Zac

The applicant has confirmed that she is going to plant bamboo along the fence to replace the Holly Tree and Shed, which grows higher than the fence. Would you like me to add this to the block plan?

Thanks

June

Hi Zac

8m is a long extension under a householder planning application, if you feel this will be a problem please continue with the Notification of Larger Extension application. I'll contact you after the consultation period is finished to confirm if you have any final issues and push for the decision.

I really appreciate all you can do with this application.

Kind regards

June
