The floodlights are rarely used during the summer months (April to August inclusive) except for repairs, cleaning, emergency work and testing. This is very infrequent.

The floodlights are predominately used in the winter months (September to March inclusive).

The floodlights are used on Saturdays between 3.00pm and 6.00pm and on Sundays between 3.00pm and 6.00pm but very occasionally to 10.00pm.

The floodlights could be used on any evening of the week but Wednesdays are the most likely day. Midweek games usually kick-off at 7.30pm and the lights will be off by 10.00pm.
