Dear Andrew,

Thank you for your e-mail and provision of the LUX plan.

EH are satisfied that our recommended condition is not required, providing that, as you suggest, the guidance/recommendations detailed within the relevant documents which form part of this application are followed.

Many thanks,

Kate.

Kate,

Pleased see attached proposed LUX levels. From their Planning Statement the lighting levels are a requirement of the Football Association and Southern Combination Football League in which they play.

Could EH remove the necessity for a further condition on the basis of the plan provided and the information within the planning statement.

Thank you,

Andrew Wood
