Dear Mr Deacon,

I have just left a message for you but for clarification thought I would email you as well.

Thank you for the plans you sent me earlier in the week, the block plan you have provided is acceptable. Unfortunately after checking the plans with a senior I need you to amend the other drawings provided. There are two plans (drawing numbers 7197-la-c-plan view-a rev a & 7197-la-w-plan view-a rev a) which appear to be roof plans and not elevations, could you please amend these accordingly.

You have provided 5 elevation drawings but I actually require 7 and they need to be labelled clearly i.e.- Proposed North elevation. Could you please amend these drawings for clarification accordingly.

If you have any further queries then please don't hesitate to email me.

Kind Regards

Charlotte Burrows
