Dear Mrs Gardner,

I write to request the original proposed plans and elevations be withdrawn and substituted for the attached drawings.

Essentially client has had site freeholder impose a change to the west elevation but that also the client request is to raise the existing roof profile so the ridge height increases and also the addition of business critical sand silos and associated plant room

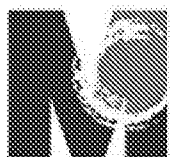

I await your confirmation of the outcome and assume it re-triggers a three week public advertisement period.

Any questions, please come back to me.

Regards

Wayne Gosden
