I would be pleased if you could update me on progress of this application.

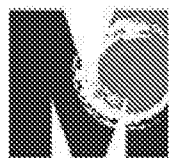

Are there any recommendations yet and is it likely to be Delegated Powers issue?

Your response appreciated

Dear Mr Gosden,

The application advertising period does not expire until 14-03-2019 so no recommendation will be made until after this date. The application expires on 19-03-2019, but due to the re-advertisement it may well not accord with this target decision date. At this time the response from the Environment Agency is still awaited.

Regards
Anita
