

16 AUG 2010

CIVIL AVIATION AUTHORITY
AIR NAVIGATION ORDER 2009

PERMISSION **U10-06-0089**

1. The Civil Aviation Authority, pursuant to article 163(3)(a) and article 163(3)(b) and article 163(4) of the Air Navigation Order 2009, hereby permits any captive unmanned gas filled balloon, hereinafter called "the balloon", being operated by **Wolseley Build Centre** to be flown at or above 60 metres above ground level.
2. This Permission is granted subject to the following conditions:
 - (a) the balloon shall only be flown from **Arndale Road, Littlehampton, West Sussex, BN17 7GA**; **[REDACTED]** OS Grid Ref.: **TQ 018 026**;
 - (b) the balloon shall not be flown above **200** feet above ground level;
 - (c) the balloon shall only be flown in weather conditions which enable it to remain at least **1800** metres horizontally and **1000** feet vertically away from cloud, and in a visibility of at least **5** kilometres;
 - (d) the balloon shall not be left unattended unless it is fitted with a device which ensures **immediate** automatic deflation should it break free of its moorings;
 - (e) in the event that the balloon does break free of its moorings, and not promptly deflate, the Operator **MUST** immediately inform both Air Traffic Control (ATC) at **Shoreham Airport, [REDACTED]**, and the local Police, of the last observed height and direction of drift of the balloon, and approximate cable length trailing. If a reasonable time has elapsed without answer from the above ATC Unit, the Operator should telephone the Watch Supervisor at London Terminal Control (Swanwick), Tel: **[REDACTED]**. In addition, a FULL report in writing must then be submitted to: Airspace Utilisation & Off-Route Airspace, Civil Aviation Authority, K6 G2, CAA House, 45-59 Kingsway, London, WC2B 6TE;
 - (f) the on-site Operator shall have this Permission in his/her possession at all times during flight.
3. This Permission shall have effect during daylight hours, between **02-Jun-10** and **02-Dec-10** unless previously revoked, varied or suspended.

NOTES:

1. Attention is drawn to Section 82 of the Civil Aviation Act 1982, the Civil Aviation (Aerial Advertising) Regulations, and the Town & Country Planning (Control of Advertisements) Regulations. The Civil Aviation Authority has no power to grant permission under, or to exempt from these regulations, and this document does not represent such permission or exemption.
2. The balloon Operator is responsible for obtaining the permission of the person(s) in charge of any vessel, vehicle or structure within 60 metres of the balloon whilst in flight (article 163(2) of the Air Navigation Order 2009 refers).
