

Driveway/Front Garden Proposal

142 Clun Road Littlehampton BN17 7ET

GARDEN:

The front garden is 6m from front of house to pavement and 6.5m in width. There is a grass area, front wall which is 5m in width and footpath of 3m in width running up the side of house to front door and back garden.

DRIVE:

I plan to remove the grass area the front wall and side footpath. This is to be replaced with 5m x 5m of block paving with a gravel border of 0.5m with suitable drainage for rain water off the drive. The side path is to be block paving or paving slabs with a gravel border with suitable drainage and to be suitable for wheelchair access to front door and back garden.

MATERIAL:

Hardcore under base
Porous Block Paving
Gravel
Drainage/Soak aways

CONTRACTOR:

I have e-mailed three contractors off the approved council list and i am awaiting quotes from them. they are,

West Sussex Driveway
A M Paving
NU Drives
